4 The permission now applied for is to print the journal in Bangalore City and circulate the same in the Mysore Province. Having regard to the terms of the latest Govt order on the subject viz the order of May 1912, permission can be refused only if the Editor is shown to have transgressed the conditions therein laid down. Since the journal has not at all availed itself of the permission granted it cannot be said that there has been a breach of the conditions. One more chance may be given to the Editor on the same terms as last time.
